As for opinions, I like that case dozer myself, they were easy and fun to run, got something done and for farm work were about ideal depending on what you want to do. You never said if it was a low ground pressure

dozer or standard  
track pads under it  
or what your  
wanting to do with  
it per say, but as  
for that model of  
dozer if it is in good  
shape and the  
price is right, I'd  
say buy it and use  
it.
