~~Hachalu Hundessa: Deadly protests erupt after Ethiopian ...~~

At that time, members of the Oromo and then Amhara - Ethiopia's two largest ethnic groups, who together make up about two-thirds of the population - began protesting in huge numbers. The grievances that triggered those protests were not resolved, but temporarily suppressed through force and the imposition of a state of emergency from October 2016 to August 2017.

27 October 2020, 19:57 UTC. Ethiopian authorities have banned peaceful protests against ethnically motivated killings which were due to take place on 28 October, in direct violation of the rights to freedom of expression and peaceful assembly, Amnesty International said today. The National Amhara Movement (NAMA), an opposition political party, had called for protests following the killing of scores of people from the Amhara ethnic minority in recent months.
