**Musicophilia—Wikipedia**

In Musicophilia, he examines the powers of music through the individual experiences of patients, musicians, and everyday people—from a man who is struck by lightning and suddenly inspired to become a pianist at the age of forty-two, to an entire group of children with Williams syndrome who are hypermusical from birth; from people with "amusia," to whom a symphony sounds like the clattering of pots and pans, to a man whose memory spans only seven seconds—for everything but music.

**Musicophilia | Oliver Sacks, M.D. | Author, Neurologist ...**

Musicophiliais essentially a compilation of tales that revolve around how music can affect ordinary people in extraordinary ways. There is a story of a man who unlocked his passion for music after being struck by lightning and stories of people who experience intense musical dreams in vivid detail.

**Musicophilia—University College Oxford**

Rather musicophilia describes when someone’s music listening habits and reactions suddenly go into overdrive, typically following a brain injury or illness. The first of many tales within the book "Musicophilia" contains one of the most compelling patient cases of this condition.

Musicophilia allows readers to join Sacks where he is most alive, amid melodies and with his patients.” — The Washington Post Book World “Sacks has an expert bedside manner: informed but humble, self-questioning, literary without being self-conscious.”—

**Musicophilia: Tales of Music and the Brain, Revised and ...**

"Music, uniquely among the arts, is both completely abstract and profoundly emotional. It has no power to represent anything particular or external, but it has a unique power to express inner states or feelings. Music can pierce the heart directly; it needs no mediation." ? Oliver Sacks, Musicophilia: Tales of Music and the Brain

Baby Driver is a longtime passion project Wright had been developing since 1995, when the writer-director was a struggling 21-year-old filmmaker living in suburban London. He had relocated to London to finish his first professional film, the low-budget western comedy A Fistful of Fingers, and to contemplate his future in entertainment. Wright's repeated listening to Orange (1994), the fourth ...
