It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you

collate several pages,
organize them, and
export them together
(again, in PDF format).
It ' s a nice feature that
enables you to
customize your reading
material, but it ' s a bit
of a hassle, and is really
designed for readers
who want printouts.

The easiest way to read
