## **solutions manual for corporate finance**

principles of corporate  
finance is the worldwide  
leading text that describes  
the theory and practice of  
corporate finance.

Throughout the book, the  
authors show how managers  
use financial theory to  
solve practical problems and  
as a way to respond to  
change by showing not just  
how, but why companies and  
management act as they do.
