Every student who gets special education is covered by the Individuals with Disabilities Education Act (IDEA). That federal law spells out what all states must do to meet the needs of students with disabilities. But in many areas, IDEA leaves room for states to interpret the rules and pass their own laws on how to apply them.

[Special Education: Federal vs. State Law | IDEA vs. State Law](#)

Special education laws give children with disabilities and their parents important rights. Specifically, the federal Individuals with Disabilities Education Act (IDEA) gives families of special education children the right to: have their child assessed or tested to determine special education eligibility and needs
