A fter the election of 1860, only a few Southern states took the drastic step of secession. The actions of two leaders, James Buchanan, the outgoing president, and Abraham Lincoln, the incoming president, would determine whether other Southern states would follow. With very few options and time running out, both men sought to satisfy two conflicting conditions at the same time — to assert the rights of the United States and to avoid war.

Born in the Civil War: The Machine Gun Both the Union and Confederate armies experimented with primitive machine guns , a weapon designed to produce a high volume of fire against attacking infantry. Most of these guns saw only limited service and none of these weapons had any effect on the war itself, but the concept and design came to be perfected late in the war with a weapon known as the Gatling gun .
