The Long Walk - Wikipedia

The Long Walk is a novel of fate and persistence more than anything, about how a man can be faced with insurmountable misfortune, only to reject the fate prescribed and pursue a different destiny. The Long Walk differs from the film almost entirely, almost half the book deals with the narrators trial, and journey to place of imprisonment, and the remaining half of the book details the escape.

The Long Walk of the Navajo, also called the Long Walk to Bosque Redondo, refers to the 1864 deportation and attempted ethnic cleansing of the Navajo people by the United States federal government. Navajos were forced to walk from their land in what is now Arizona to eastern New Mexico. Some 53 different forced marches occurred between August 1864 and the end of 1866. Some anthropologists claim that the "collective trauma of the Long Walk...is critical to contemporary Navajos' sense of identity
